Dear Parents/Guardians and 8<sup>th</sup>-Grade Students,

Roosevelt Junior High School is excited to announce that we will be holding both an in-person and virtual graduation for the 2020-2021 school year. General in-person graduation information can be found on the additional mailer that can be found within this envelope. Below you will find information about graduation gown and regalia pick-up, as well as, filming for the Virtual Graduation.

**Gown Pick-Up and Virtual Walking the Stage Filming:**

We will be distributing graduation gowns, regalia, and filming the virtual Walking of the Stage on **Wednesday 5/12/2021**. Students will be assigned blocks of time, **by students last name alphabetically**, for participation in the event (see the table below). Families will need to drop-off their child by the middle blue doors on Orangeburg Ave. and drive around the block to Ulrich Ave. to pick them up. **All Students will exit from the back of the school, at the gate on Ulrich Ave.** Students will be required to follow health and safety protocols during this event.

While on campus students will be measured for the correct sized gown, that can be borrowed (at no cost) or purchased for \$20.00. Once students have their gowns, and regalia, they will make their way to our gym where they will participate in the virtual walking of the stage. This will be filmed by RT Productions and become part of our larger overall virtual graduation video. Students will need to keep their gown for our in-person graduation event. The day after graduation students will return to campus to return borrowed gowns and pick-up their diplomas.

When our learners leave campus on 5/12/2021 they will leave with a QR Code or a personal weblink from RT Productions with instructions for uploading additional videos to complete the virtual graduation process.

**Virtual Graduation Additional Information:**

The virtual graduation will include traditional processions, speeches, performances, calling of student names, virtual walking of the stage, and the best part of all...the recessional afterwards when it's time to celebrate! Students will have the opportunity to submit an 8-to-10 second video clip (similar to TikTok) to make their own personal mark on the ceremony. The video must be appropriate with no foul language. We want our students to enjoy this process and be creative. The video will be available to everyone after the ceremony as a downloadable file.

Within the next couple of weeks, we will be providing detailed ceremony information and instructions on how to access the virtual event. Please check your student and parent emails for a message from Rt Productions/GradPro regarding next steps and uploading the necessary videos.
