

Grade and Citizenship Sheet:                      Name: \_\_\_\_\_

**Grading:** Grades will be posted on PowerSchool. I try to keep them updated on a daily basis.

<b>Behavior</b>	<b>Work (each day on the assignment)</b>
<ul style="list-style-type: none"><li>• 10 points on task</li><li>• 5 points had to be warned to get back on task</li><li>• 0 points either sent to intervention table or to ISS room to cool down.</li></ul>	<ul style="list-style-type: none"><li>• 10 points basic mastery of material</li><li>• 7 points shows understanding of material but needs some help.</li><li>• 5 points Please come for help you do not understand the material.</li></ul>

**Late work or lost work:** Any work not turned in the day it is due (including if you were absent) can be only turned in to me before school starts (no later than 8:40) or after school (check to see if I am available). If for some reason you lose your paper you are given 3 lost paper passes per quarter. There is no penalty for any late work as long as you get it to me before the start of the next unit. Once the next year starts then any work prior to it cannot be turned in.

**Absences:** When absent if 20 points were given that day 10 points will go into the gradebook until you come in *before or after school* to make up the work you missed. Remember if you neglect to come in your grade for that day is 10 out of 20 points. Please make up all work prior to the start of the next unit. Long term absences will be dealt with on individual bases' but you need to talk to me outside of the class regarding what needs to be done concerning your grade.

**Extra credit** points may be awarded at times.

**HELP!** If you are in need for help please come and see me. I am not available during lunch period as this is my only free time, but I am here most days before school and after school. I will post when I am available.

**Homework that is Collected and All other work:  
(labs/ worksheets/ class activities)**

**Scoring: For each day working on an assignment:** 10 points (mastery) 7 points (Almost there, but some minor mistakes) 5 points (You tried but are still in the fog when it comes to understanding the material. Seriously think about coming for help.) Remember if I **NEVER RECEIVE** your work it goes in the grade book as a **ZERO**.

\_\_\_\_\_ (# days on assignment) x \_\_\_\_\_ (10/ 7/ 5) = \_\_\_\_\_ total pts.

**Exams:** Points on all exams will vary depending on the exam being administered.

**Table Points:** All tables at the start of a unit start with 10 points. Extra credit points can be earned on a daily basis. The students at each table(s) with the highest point totals will also receive a prize at the end of the unit. The purpose of the table points is to force students to work together as a group on a daily basis. New seating charts will be made at the start of a new unit.
