0 - 59% = F

## **Citizenship Mark Guidelines (per quarter)**

**Outstanding** – No unexcused absences; 0-2 tardies; Assignments 80-100% turned in; Excellent conduct: 0-3 incidents on Behavior Log

**Satisfactory** – 1-2 unexcused absences; 3-4 tardies; Assignments 60-79% turned in; Good conduct: 4-6 incidents on Behavior Log

**ABSENCES (excused):** Students who have **excused absences** are able to make up work and tests. It is your responsibility to get the class work and homework assignments that were missed from the homework calendar. Worksheets that were handed out will be filed in the “absent box”. Students will have 2 days for every one-day missed, to make up the assignment(s). *Write “absent” at the top and place your make-up assignments in the absent/late homework tray!*

\*If you are in class the day a test is scheduled but absent the day of the test, you will make up the test the day you return from your absence!

\*If you are in class the day the assignment is given, but absent the day the assignment is due, the assignment is due the day of return from the absence!

**ABSENCES (unexcused):** Unexcused absences result in NO MAKE UP PRIVILEGES!!!! Three or more unexcused absences will result in an unsatisfactory citizenship mark.

## Proper Heading of Assignments

First/Last Name
Date
Period #
Assignment (Page #, #s assigned)

- Homework will be assigned on most days.
- Homework is graded using the homework rubric below.
- Homework scores are tracked on a Homework Log which is due after 5 assignments are assigned.
- Keep graded assignments until the end of each marking period.
- Every three missing assignments will result in a lunch detention.

## LATE WORK

An assignment will be accepted for at most, 3 out of 5 points, up until the Chapter Test covering that assignment. Late homework must follow the 100% complete guidelines of the homework rubric to receive late credit. Problem check points are not awarded for late assignments. Write "late" on the top of your assignment and place in the absent/late homework tray! For assignments in the Chapter Workbook, students must show Mrs. Rizotto the workbook at lunch or after school if the workbook cannot be left overnight for her to correct.

## CHEATING

*Cheating is not allowed. Cheating includes, but is not limited to:*

- Copying the work or answers from another student
- Talking during an assessment
- Looking at another student's paper during a test or quiz
- Allowing another student to copy your work or answers

*Any student observed cheating and anyone aiding in the cheating will:*

- Receive a ZERO for the assignment, test or quiz
- Not be allowed to make up the assignment
- Be referred to the Principal for further discipline

## Homework RUBRIC

*Total possible for MOST assignments = 5 points*

**\*Problem Check – Students receive 1 point if the random problem check is correct with the appropriate thinking work.**

**\*The other 4 homework points are earned based on completion and effort:**

**4 Points (100% complete)** The homework assignment includes all of the following:

- ✓ Homework is complete; an honest effort has been made to complete every problem. Each problem shows thinking work.
- ✓ Homework is on-time.
- ✓ Work is neat and legible.
- ✓ Answers are boxed/circled.
- ✓ The student has corrected any incorrect solutions that were reviewed in class on the due date, in RED ink.

**3 Points (75% complete)** = Criteria for 4 points has been met except for one requirement: Homework is not complete, or not neat, or did not show work, etc.

**2 Points (50% complete)** = Criteria for 4 points has been met except for two items: Homework is only half done, or not complete and not neat, or not complete and did not show work, etc.

**1 Point (25% complete)** = Homework is only partially done or only answers are supplied and work is not shown.

**0 (0%)** = Homework is not submitted.
