Hello Rough Rider Families!

Welcome to September! Based on enrollment, we are in the process of updating our master schedule of classes. As a result of the modifications to the schedule, current student schedules may be impacted. You may have noticed there are some changes to student class schedules that are visible in both PowerSchool and Schoology. Please take a moment to review your student's schedule.

For students impacted by the master schedule shifts, new class schedules will officially take effect on Tuesday, September 8, 2020. If your students schedule has been modified, your student will remain enrolled in their current classes that they started at the beginning of the year, until September 8, 2020.

Again, if a student is impacted by a schedule change, the official start date of those schedule changes is Tuesday, September 8. At this time, students will continue to follow the schedule they have had since the beginning of the school year.

If your student is struggling to see their current courses they are enrolled in, in Schoology please follow the steps below to see their classes:

Step 1:

Student Logs in to their Schoology account (This is what students would normally do)

Step 2:

Go to COURSES (This is what students would normally do)

Step 3:

Select MY COURSES in the top right-hand corner

All of the courses the students are enrolled in should be visible in a list format from top to bottom of the screen. Some students will have a multitude of courses listed

Step 4:

Select Reorder (Under MY COURSES)

Student/Parent will be able to drag the courses they want to the top of the list. We would recommend dragging the classes the student was enrolled in at the beginning of the year(Their regular schedule) to the top of the list so that those are the classes that are visible on the student's main COURSES page of Schoology.

Sincerely,

Roosevelt Administration

¡Buenas tardes familias de Rough Riders!

Debido a algunas circunstancias fuera de nuestro control, estamos haciendo algunos cambios en los horarios para estudiantes y maestros. Estos cambios entrarán en vigor el 8 de septiembre de 2020. Muchos de ellos aparecen en las páginas de Schoology de nuestros estudiantes y están causando cierta confusión porque tienen dificultades para encontrar sus cursos y, por lo tanto, inician sesión en las reuniones de Teams.

Si su hijo se ve afectado por esto, aquí hay algunos pasos para aliviar el problema:

Publicaremos estos pasos en nuestro sitio web esta noche.

Paso 1:

El estudiante inicia sesión en su cuenta de Schoology (esto es lo que normalmente harían los estudiantes)

Paso 2:

Ir a CURSOS (esto es lo que normalmente harían los estudiantes)

Paso 3:

Seleccione MIS CURSOS en la esquina superior derecha

Todos los cursos en los que están inscritos los estudiantes deben estar visibles en un formato de lista de arriba a abajo de la pantalla. Algunos estudiantes tendrán una multitud de cursos listados

Paso 4:

Seleccione Reordenar (en MIS CURSOS)

El alumno / padre podrá arrastrar los cursos que desee al principio de la lista. Recomendamos arrastrar las clases en las que el estudiante estaba inscrito al comienzo del año (su horario regular) a la parte superior de la lista para que esas sean las clases que estén visibles en la página principal de CURSOS del estudiante de Schoology.

Sinceramente,

Administración de Roosevelt
